

The Triathlon Centre in Peterborough

Everything a Triathlete needs under one roof!

Triathlon Centre

www.triathloncentre.co.uk

The Triathlon Centre is a unique partnership between Advance Performance, Greenwheel Cycles and Crightons Hydropool.

With three separate stores under one roof specialising in each aspect of Triathlon, there's no need to visit anywhere else.

Our experienced and knowledgeable staff are ready to guide beginner triathletes through those all important first choices, or provide more experienced triathletes with an extensive range of running shoes, bikes and clothing to support their training and competition needs.

Few other stores can match our range of services:

- A huge range of running shoes, plus video gait analysis
- Triathlon clothing, footwear and accessories from leading brands
- In-store wetsuit testing plus special wetsuit testing events throughout the year (by appointment)
- Triathlon bikes and bike fit
- Specially chosen Triathlon Packages - buy everything you need for one set price (finance available)
- Experienced, well-trained, knowledgeable staff
- In-store sports therapy, injury management and sports nutritionist
- VO2 max, sports science and fitness testing
- Triathlon mentoring and coaching
- Swim coaching in a 19ft Swim Spa
- Late opening
- Ample free parking
- Award-winning, independent, family-owned
